Cruel World

Active Child

I dedicate my life
To something richer
And all the things that come
'Cause that's no price at all
And I know you'll be there
And I want you to know I care becauseKeep your head up, hold your head up even though
It's a cruel world
Count your blessings, you won't need them when you're gone
It's a cruel world
You can't see it, you can't see it even though
It's a cruel world
We're thrown into this life
No raft, no savior
Masked in self-contempt
And wrapped in cotton cloth
And it's just like a prayer
The way you showed me you care to be there and becauseKeep your head up, hold your head up even though
It's a cruel world
Count your blessings, you won't need them when you're gone
It's a cruel world
You can't see it, you can't see it even though
It's a cruel worldCruel world
Cruel world
Cruel world
Cruel world
Cruel world
Cruel world
Cruel world
Cruel world
Cruel worldKeep your head up, hold your head up even though
It's a cruel world (Cruel world)
Count your blessings, you won't need them when you're gone
It's a cruel world (Cruel world)
You can't see it, you can't see it even though
It's a cruel worldCruel world
Cruel world
Cruel world
Cruel world
