Wrong (Todd Terry Remix)

Everything But the Girl

I wanted everything for a little while
Why shouldn't I?
I wanted to know what it was like
But I pushed you too far
And you started laying down the law till I didn't love you anymoreNow you can pull a little bit
And there's a little give and take
And love will stretch a little bit but finally it's gonna break
Wherever you go I will follow you
'Cause I was wrong
Wherever you go I will follow you
'Cause I was wrong
So there we both were in that little house just hanging out
You didn't know what you were about
And you turned to me as you were threading daisies on a chain
You said it's decision time againNow you can pull a little bit
And there's a little give and take
And love will stretch a little bit but finally it's gonna break
Wherever you go I will follow you
'Cause I was wrong
Wherever you go I will follow you
'Cause I was wrongAnd the ground's gonna swallow you
I was wrong
And the ground's gonna swallow you
I was wrong, I was wrong, I was wrongI wanted everything for a little while
Why shouldn't I?
I wanted to know what he was like
Now you can pull a little bit
And there's a little give and take
And love will stretch a little bit but finally it's gonna break
Wherever you go I will follow you
'Cause I was wrong
Wherever you go I will follow you
'Cause I was wrongWherever you go I will follow you
'Cause I was wrong
Wherever you go I will follow you
'Cause I was wrong'Cause I was wrong
I was wrong, I was wrong
