

# Hola (feat. Maluma)

## Flo Rida

[Intro: Maluma]

Alright, to ride

Maluma, baby[Chorus: Flo Rida]

I just have to say

Hola, hola-la

We should get acquainted like

Oh my, oh my God

I don't speak your language, but

Hey ma', hey mama

Don't need no translation, just

Come right here, and make your body say it, yeah yeah

[Verse 1: Flo Rida]

Hola-la-la-la-la

Don't know what to say

Like a lollipop

Yeah, that's how you taste

Sweeter than ones in the ice cream truck

You a charm, yeah you give me good luck (Oh)

Really no need to speak too much

Oh-oh, for you make me say[Pre-Chorus: Flo Rida]

Don't put your name right now

But that need to change right now

I saw you across the room

And I just have to say

[Chorus: Flo Rida]

Hola, hola-la

We should get acquainted like

Oh my, oh my God

I don't speak your language, but

Hey ma', hey mama

Don't need no translation, just

Come right here, and make your body say it, yeah yeah[Post-Chorus: Flo Rida]

Hola, hola

Make your body say

Hola, hola

Make your body say[Verse 2: Maluma]

(Maluma, baby)

Eres sabrosura pura

Mira qué linda figura

Modela en la orilla de la playa

Con su gafitas Gucci nunca, nunca falla, yeah Te quiero conocer, tell me what's your name

Vengo de Colombia, baby, if you wanna play

Te quiero conocer, tell me what's your name  
Vengo de Colombia, baby, if you wanna play[Pre-Chorus: Flo Rida]  
Don't put your name right now  
But that need to change right now  
I saw you across the room  
And I just have to say[Chorus: Maluma & Flo Rida]  
Hola, hola-la  
Quiero conocerte ya  
Oh my, oh my God  
Aunque no me entiendas voy  
Hey ma', hey mama  
Don't need no translation, just  
Come right here, and make your body say it, yeah yeah[Post-Chorus: Flo Rida]  
Hola, hola  
Make your body say  
Hola, hola (Dirty boy, baby)  
Make your body say (Dirty boy)[Bridge: Flo Rida]  
I don't speak your language  
But girl, I love that fragrance  
You with all that ass, yes  
So drop it in rotation  
You here for vacation  
And I'm here for temptation  
I'ma put it on you  
Let's see if you can take it[Chorus: Flo Rida & Maluma]  
Hola, hola-la (hola , hola)  
We should get acquainted like  
Oh my, oh my God (hola, hola)  
I don't speak your language, but  
Hey ma', hey mama (alright, alright, baby)  
Don't need no translation, just  
Come right here (Maluma, baby)  
And make your body say, yeah yeah[Post-Chorus: Flo Rida]  
Hola, hola  
Make your body say  
Hola, hola  
Make your body say  
Hola, hola  
Make your body say  
Hola, hola  
Make your body say
