## Love Ain't Here Anymore (feat. Boyz II Men)

## **Take That**

Ohh ohh ohh, mm mm, baby, don't you want me to go
So honey, why don't you beg me to stay
For love and talk the way we used to talk
Till we both know what we've lost
Never say the words we did before
Till it was overLove ain't here anymore
No, no, love ain't here anymore
It's gone away, to a town called yesterday
Love, ain't here anymore
Listen, oh, listen
I don't wanna let go (won't let go)
So baby, we can change the way we feel

So baby, we can change the way we feel
For love, and open up the way we did before
Co's now is the right time and I'm sure
You never say the words you did before
When it was overLove ain't here anymore

Love ain't here anymore

It's gone away to that town called yesterday

Love ain't here anymoreAnd when I find a place for me to keep my sweet love (keep my sweet love)

Then I will leave it there forever more, yeah And when I find someone to share

I never gave up
I will hold that, believe that
This love leads to more
Love ain't here anymore
No no love ain't here anymore
No no love ain't here anymore
Don't you beg me to stay
No no no

Love ain't here anymore
It's gone away, to a town called yesterday
Love ain't here anymore
