

# This Is Our Someday

## Big Time Rush

Oh, oh, oh, oh  
Oh, oh, oh, oh (hey yeah)  
Oh, oh, oh, oh (yeah yeah)  
Oh, oh, oh, oh When everyday feels like the other  
And everywhere looks just the same  
When every dream seems like forever  
And you're a face without a name  
Maybe now is our best chance, best chance  
To finally get it right, get it right  
'Cause if the world is an apple (oh yeah)  
Then it's time to take a bite  
Someday it will come together  
Someday we will work it out  
I know we can turn it up all the way  
( 'Cause this is our someday)  
Someday is what we make it  
Someday is right here and now  
Why wait? (Why wait?)  
Why wait?  
'Cause this is our someday Oh, oh, oh, oh  
(Oh!)  
Oh, oh, oh, oh (yeah yeah)  
Oh, oh, oh, oh  
Oh, oh, oh, oh  
We all have times, times we wonder  
Will the spotlight shine on me  
Don't let the waves go and pull us under  
I missed the opportunity (oh)  
Don't look down or look back (look back)  
It's not that far to go  
'Cause if we never try then  
We will never really know (oh) Someday it will come together  
Someday we will work it out  
I know we can turn it up all the way  
( 'Cause this is our someday)  
Someday (yeah) is what we make it  
Someday is right here and now  
Why wait? (Why wait?)  
Why wait? (Why wait?)  
'Cause this is our someday Oh no  
I don't have all the answers  
If there is one thing I know for sure (yeah)

One is good but four is better  
It took some time to get here  
But it's better late than neverSomeday it will come together  
Someday we will work it out  
I know we can turn it up all the way  
( 'Cause this is our someday)  
Someday is what we make it  
Someday (someday) is right here and now  
Why wait? (Why wait?)  
Why wait?  
'Cause this is our somedaySomeday (oh) it will come together  
Someday (yeah) we will work it out  
I know we can turn it up all the way  
( 'Cause this is our someday)  
Someday is what we make it  
Someday (ho) is right here and now  
Why wait? (Why wait?)  
Why wait?  
'Cause this is our someday
