

# A Love Song (feat. k.d. lang)

Anne Murray

There's a wren in a willow wood  
Flies so high and sings so good  
And he brings to you  
What he sings to you Like my brother, the wren and I  
Well, he told me, if I try, I could fly for you  
And I wanna try for you 'cause I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feelin' of my home  
Summer thunder on moon-bright days  
Northern lights and skies ablaze  
And I bring to you  
Lover, when I sing to you Silver wings in a fiery sky  
Show the trail of my love and I wanna sing to you  
Love is what I bring to you  
And I wanna sing to you, oh I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feelin' of my home  
I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feelin' of my home I wanna show you the peaceful feelin' of my  
ho-ho-ho-home
