A Love Song (feat. k.d. lang)

Anne Murray

There's a wren in a willow wood Flies so high and sings so good And he brings to you What he sings to youLike my brother, the wren and I Well, he told me, if I try, I could fly for you And I wanna try for you 'causeI wanna sing you a love song I wanna rock you in my arms all night long I wanna get to know you I wanna show you the peaceful feelin' of my home Summer thunder on moon-bright days Northern lights and skies ablaze And I bring to you Lover, when I sing to youSilver wings in a fiery sky Show the trail of my love and I wanna sing to you Love is what I bring to you And I wanna sing to you, ohI wanna sing you a love song I wanna rock you in my arms all night long I wanna get to know you I wanna show you the peaceful feelin' of my home I wanna sing you a love song I wanna rock you in my arms all night long I wanna get to know you I wanna show you the peaceful feelin' of my homeI wanna show you the peaceful feelin' of my ho-ho-ho-home
