

Wild Is the Wind

Cat Power

Love me, love me
Say you do
Let me fly away with you We are creatures of the wind
Wild is the wind Give me more than one caress
Satisfy this hungriness We are creatures of the wind
Wild is the wind
You touch me
I hear the sound of mandolins, baby
You kiss me...
With your kiss my life begins Like a leaf clings to a tree
Baby, please cling to me We are creatures of the wind
Wild is the wind
You touch me
I hear the sound of mandolins
And you kiss me
With your kiss my life begins. Love me, love me
Say you do
Let me fly away with you
