

# Wild Is the Wind

## Cat Power

Love me, love me  
Say you do  
Let me fly away with you We are creatures of the wind  
Wild is the wind Give me more than one caress  
Satisfy this hungriness We are creatures of the wind  
Wild is the wind  
You touch me  
I hear the sound of mandolins, baby  
You kiss me...  
With your kiss my life begins Like a leaf clings to a tree  
Baby, please cling to me We are creatures of the wind  
Wild is the wind  
You touch me  
I hear the sound of mandolins  
And you kiss me  
With your kiss my life begins. Love me, love me  
Say you do  
Let me fly away with you
