## Wild Is the Wind

## **Cat Power**

Love me, love me Say you do Let me fly away with youWe are creatures of the wind Wild is the windGive me more than one caress Satisfy this hungrinessWe are creatures of the wind Wild is the wind You touch me I hear the sound of mandolins, baby You kiss me... With your kiss my life beginsLike a leaf clings to a tree Baby, please cling to meWe are creatures of the wind Wild is the wind You touch me I hear the sound of mandolins And you kiss me With your kiss my life begins.Love me, love me Say you do Let me fly away with you
