

# Limitless

Jennifer Lopez

[Verse 1]

I couldn't fight anymore  
And I wouldn't lie anymore  
And all of the truths that I couldn't ignore  
I wouldn't fight in this war[Pre-Chorus]  
No no no no no no no no  
No no no no no no no no crying  
Oh, no no no no no no no no  
No no no no no no no no crying  
No no no no no no

[Chorus]

I told myself I had to be a different someone  
In order to win at a war I had already won  
Yeah, I'd given up on the saying "I'll never give up"  
But look at me now  
Yeah, look at me, I'm limitless (I'm limitless)  
Look at me now  
Yeah, look at me, I'm limitless (I'm limitless)  
Yeah, look at me now  
Yeah, look at me, I'm limitless[Verse 2]  
I am a woman who roars  
Nobody opened my doors  
Yeah, I am a woman saying I want more  
So give me what I'm asking for

[Pre-Chorus]

No no no no no no no no  
No no no no no no no no crying  
No no no no no no[Chorus]  
I told myself I had to be a different someone  
In order to win at a war I had already won  
Yeah, I'd given up on the saying "I'll never give up"  
But look at me now  
Yeah, look at me, I'm limitless (I'm limitless)  
Look at me now  
Yeah, look at me, I'm limitless[Bridge]  
I made it home, I made it known  
I am here to stay  
I made it home, I made it known  
I am here to stay  
I made it home, I made it home  
I made it home[Chorus]

I told myself I had to be a different someone (A different someone, a different someone)

In order to win at a war I had already won (I had already won)  
Yeah, I'd given up on the saying "I'll never give up" (I'll never give up, no)  
But look at me now  
Yeah, look at me, I'm limitless (I'm limitless)  
Look at me now  
Yeah, look at me, I'm limitless (Yeah, I'm limitless)  
Yeah, look at me now  
Yeah, look at me, I'm limitless (Yeah, I'm limitless)
