

Miss Missing You

Fall Out Boy

Don't panic, no, not yet.
I know I'm the one you want to forget.
Cue all the love to leave my heart
It's time for me to fall apart.
Now you're gone, but I'll be okay. Your hot whiskey eyes have fanned the flame.
Maybe I'll burn a little brighter tonight
Let the fire breathe me back to life.
Baby you were my picket fence
I miss missing you, now and then.
Chlorine kissed, summer skin.
I miss missing you, now and then.
Sometimes before it gets better
The darkness gets bigger
The person that you'd take a bullet for is behind the trigger
Oh, we're fading fast
I miss missing you, now and then.
Making eyes at this husk, around my heart.
I see through you and we're sitting in the dark.
So give me your filth, make it rough.
Let me, let me, trash your love. I will sing to you everyday, if it will take away the pain.
Oh and I heard you've got it, got it so bad.
Cause I am the best you'll ever have.
Baby you were my picket fence
I miss missing you, now and then.
Chlorine kissed, summer skin.
I miss missing you, now and then.
Sometimes before it gets better
The darkness gets bigger The person that you'd take a bullet for, is behind the trigger
Oh, we're fading fast
I miss missing you, now and then.
(oh oh oh ohhhhhh)
Now and then
Now and then
Now and then
You were my picket fence
I miss missing you, now and then.
