

# Nothing Even Matters (feat. D'Angelo)

Lauryn Hill

Now the skies could fall  
Not even if my boss should call  
The world it seems so very small  
'Cause nothing even matters at all Nothing even matters  
Nothing even matters at all  
Nothing even matters  
Nothing even matters at all See I don't need no alcohol  
Your love makes me feel ten feet tall  
Without it I'd go through withdrawal  
'Cause nothing even matters at all Nothing even matters  
Nothing even matters at all  
Nothing even matters  
Nothing even matters at all  
These buildings could drift out to sea  
Some natural catastrophe  
Still there's no place I'd rather be  
'Cause nothing even matters to me Nothing even matters  
Nothing even matters to me  
Nothing even matters  
Nothing even matters to me You're part of my identity  
I sometimes have the tendency  
To look at you religiously  
'Cause nothing even matters to me Nothing even matters  
Nothing even matters to me  
Nothing even matters  
Nothing even matters to me  
Now you won't find me at no store  
I have no time for manicures  
With you it's never either or  
'Cause nothing even matters no more Nothing it don't matter  
Nothing even matters no more  
Nothing even matters  
Nothing even matters no more Now my team could score  
And make it to the Final Four  
Just repossess my 4x4  
'Cause nothing even matters no more Nothing even matters  
Nothing even matters no more  
Nothing even matters  
Nothing even matters no more
