## Start a War

## **The National**

We expected something Something better than before We expected something moreDo you really think you can just put it in a safe behind a painting Lock it up and leave? Do you really think you can just put it in a safe behind a painting Lock it up and leave?Walk away now and you're gonna start a warWhatever went away, I'll get it over now I'll get money, I'll get funny again Whatever went away, I'll get it over now I'll get money, I'll get funny again Walk away now and you're gonna start a warWe expected something Something better than before We expected something moreYou were always weird but I never had to hold you by the edges Like I do now You were always weird but I never had to hold you by the edges Like I do nowWalk away now and you're gonna start a war Whatever went away, I'll get it over now I'll get money, I'll get funny again Whatever went away, I'll get it over now I'll get money, I'll get funny againWalk away now and you're gonna start a war Walk away now and you're gonna start a war
