Something So Right

[Paul Simon](#)

You've got the cool water
When the fever runs high
You've got the look of lovelight in your eyes
And I was in crazy motion
'til you calmed me down
It took a little time
But you calmed me downWhen something goes wrong
I'm the first to admit it
I'm the first to admit it
And the last one to knowWhen something goes right
Well it's likely to lose me, mm
It's apt to confuse me
It's such an unusual sight
Oh, I can't, I can't get used to something so right
Something so right
They've got a wall in china
It's a thousand miles long
To keep out the foreigners they made it strong
And I've got a wall around me
That you can't even see
It took a little time
To get next to meWhen something goes wrong
I'm the first to admit it
I'm the first to admit it
And the last one to know
When something goes right
Well it's likely to lose me, mm
It's apt to confuse me
Because it's such an unusual sight
Oh, I can't, I can't get used to something so right
Something so right
Some people never say the words "i love you"
It's not their style
To be so bold
Some people never say the words "i love you"
But like a child they're longing to be told, mmWhen something goes wrong
I'm the first to admit it
I'm the first to admit it
And the last one to know
When something goes right
Well it's likely to lose me, mm
It's apt to confuse me

Because it's such an unusual sight
I swear, I can't, I can't get used to something so right
Something so right
