

# What Is Love?

Ayo

I love you is so easy to say  
But so many times it doesn't mean a thing  
I love you could be everything  
As long as we don't know what love means I think love is not in what we say  
Love is in what we do  
And when we say we love  
We got something to prove What is love?  
What is love?  
What is love?  
What is love?  
I think love is nothing but the truth  
Something inside of me and something inside of you  
Love is faith and loyalty  
Love is sharing, love is to believe I think that is what love could be  
And so much more 'cause love is deep  
Love is deep What is love?  
What is love?  
What is love?  
What is love? I think love can be good, love can be bad  
Love can make you happy and love can make you sad  
Love can break your heart and love can heal your soul  
I think love can be good, love can be bad  
Love can make you happy and love can make you sad  
Love can break your heart and love can heal your soul  
Love can die, love can grow
