Bound to You

Christina Aguilera

Sweet love, sweet loveTrapped in your love

I've opened up, unsure I can trustMy heart and I were buried in dustFree me, free usYou're all I need when I'm holding you tightIf you walk away I will suffer tonightI found a man I can trustAnd boy, I believe in us

I am terrified to love for the first timeCan't you see that I'm bound in chains?I've finally found my wayI am bound to you

I am bound to you

So much, so young, I've faced on my ownWalls I built up became my homeI'm strong and I'm sure there's a fire in usSweet love, so pureI catch my breath with just one beating heartAnd I embrace myself, please don't tear this apartI found a man I can trustAnd boy, I believe in us I am terrified to love for the first timeCan't you see that I'm bound in chains?

I've finally found my way
I am bound to you
I am bound to you
Suddenly the moment's here
I embrace my fears

All that I have been carrying all these years Do I risk it all? Come this far just to fall?

Fall

I have can trust and boy, I believe in usI am terrified to love for the first timeCan't you see that I'm bound in chains?And finally found my way

I am bound to you I am, ooh I am I'm bound to you
