

# What You Waiting For (feat. Colby O'Donis)

## Mizz Nina

Baby I never seen someone with your body  
You make me wanna get this party started  
Hey baby come and tell me what's the score  
Baby, baby, tell me, what you, what you, waiting for  
Baby I never seen someone with your body  
You make me wanna get a little naughty Hey baby come and get me it's all your's  
Baby, baby, tell me, what you, what you, waiting for  
It's your birthday so tell me what you wanna do  
It's my birthday, I really wanna get with you  
Drop the beat now and baby we can get it started  
We'll go insane and take it to the after party  
So whats your name, hey baby what's your name, oh yeah  
Sexy's my name, yeah sexy is my name  
Ok, and what's your game, hey baby what's your game  
Ok, I like to play, I, I like to play, ay
