

# Conversations in the Dark

## John Legend & David Guetta

Talk less, our conversations in the dark  
World is sleeping, I'm awake with you, with you  
Watch movies that we've both already seen I ain't even looking at the screen  
It's true, I got my eyes on you And you say that you're not worth it  
You get hung up on your flaws  
With my eyes, you are perfect as you are I won't ever try to change you, change you  
I will always want the same you, same you  
Swear on everything I pray to  
That I won't break your heart  
I'll be there when you get lonely, lonely  
Keep the secrets that you told me, told me  
And your love is all you owe me  
And I won't break your heart  
On Sunday mornings we sleep in until noon  
I could sleep wherever next to you, next to you  
And we, we got places we both gotta be  
But there ain't nothing I would rather do  
Than look for my plans for you And you say that you're not worth it  
And get hung up on your flaws  
But in my eyes you are perfect as you are, as you are I won't ever try to change you, change you  
I will always want the same you, same you  
Swear on everything I pray to  
That I won't break your heart  
I'll be there when you get lonely, lonely  
Keep the secrets that you told me, told me  
And your love is all you owe me  
And I won't break your heart  
When no one seems to notice  
And your days, they seem so hard  
My darling, you should know this  
My love is everywhere you are I won't ever try to change you, change you (Yeah)  
I will always want the same you, same you (Oh)  
Swear on everything I pray to  
That I won't break your heart (Yeah)  
I'll be there when you get lonely, lonely (Oh, when you get lonely)  
Keep the secrets that you told me, told me (Yeah)  
And your love is all you owe me  
And I won't break your heart Ooooh, oohh  
I won't break your heart
