

# Life Goes On

## The Damned

Life goes on and on and on  
If you think it's all gone wrong  
Go on and on and on Life's a con a con a con  
If you think you can't go on  
Go on and on and on But always remember  
This is the happiest day of your life Life goes on and on and on  
If you think it's all gone wrong  
Go on and on and on  
Life's a con a con a con  
If you think you can't go on  
Go on and on and on And as the years they move along  
I see it now, there's something wrong  
'Cos life is for always  
Take your time  
Who cares what fools say  
I don't mind  
'Cos this is my day  
I'll live it my way  
Today, there's just today  
Life goes on and on and on  
If you think it's all gone wrong  
Go on and on and on Life's a con a con a con  
If you think you can't go on  
Go on and on and on
