

Larger Than Life

Backstreet Boys

I've been running high from you screamin' my name, alright
But let me tell you now
There are prices to fame, alright
All of our time's spent in flashes of light All you people can't you see, can't you see?
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life Alright, looking at the crowd
And I see your body sway, c'mon
Wishin' I could thank you in a different way, c'mon
'Cause all of your time spent keeps us alive
All you people can't you see, can't you see?
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life Yeah, larger than life yeah
All of your time spent, keeps us alive Every time we're down, you can make it right All you
people can't you see, can't you see?
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than life
Yeah, every time we're down
Yeah, you can make it right
Yeah, that's what makes you larger than life, yeah, yeah
All you people can't you see, can't you see?
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger, that makes you larger
That makes you larger than life
