

Dangerously In Love

Destiny's Child

I love you
I love you, I love you Baby I love you, you are my life
My happiest moments weren't complete if you weren't by my side
You're my relation and connection to the sun
You next to me, there's no darkness I can't overcome You are my raindrops, I am the sea
You and God who's my sunlight, I'm blooming, grown so beautifully
Baby I'm so proud, proud to be your girl
You make the confusion go all away from this cold and misty world I am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving me
I am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving me I know you love me, love me for who I am
'Cause years before I became who I am, baby you were my man
I know it ain't easy, easy loving me
I appreciate the love and dedication from you to me Later on in my destiny I see myself having
your child
I see myself being your wife and I see my whole future in your eyes
Thought of all my love for you, sometimes makes me wanna cry
Realize all of my blessings, I'm grateful to have you by my side
I am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving me I am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving me Every time I see your face, my heart smiles
Every time it feels so good, it hurts sometimes
Created in this world to love
To hold, to feel, to breathe, to live you
Dangerously in love, yeah I am in love with you
You set me free

I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just, just keep loving me the way I love you loving me I am in love with you
You set me free
I can't do this thing called life without you here with me
'Cause I'm dangerously in love with you
I'll never leave
Just keep loving me the way I love you loving me Dangerously
Dangerous, dangerously in love with you
Oh, I love you, I love you, I love you, I love you, I love you, I love you
I love you, oh yes
I love you
I love you, I love you, I love you, I love you, I love you
I love you
I love you
I love you, I love you, I love you, I love you I will survive the past, I will survive the fear and I
will survive
