

# Find Me (feat. Jake Bugg)

## Tinie Tempah

You've gonna find me  
You've gonna find me  
Whenever I'm losin' sleep Whenever I'm hard to reach  
You've gonna find me  
You've gonna find me  
I know times are hard enough  
But Its not my plan (Yeah Yeah)  
To give up You've gonna find me  
You've gonna find me  
Whenever I'm losin' sleep  
Whenever I'm hard to reach  
You've gonna find me  
You've gonna find me  
I know times are hard enough  
But Its not my plan (Yeah Yeah)  
To give up  
You've gonna find me  
You've gonna find me  
Whenever I'm losin' sleep  
Whenever I'm hard to reach  
You've gonna find me (Find me)  
You've gonna find me (Find me)  
I know times are hard enough  
But Its not my plan (Yeah Yeah)  
To give up You've gonna find me  
You've gonna find me  
Whenever I'm losin' sleep  
Whenever I'm hard to reach  
You've gonna find me  
You've gonna find me  
I know times are hard enough  
But Its not my plan (Yeah Yeah)  
To give up
