

Dream On

Noel Gallagher's High Flying Birds

Oh me oh my
I'm running out of batteries
I'm hanging from the ladder
the tears you cried
are only meant to flatter me
that shit don't matter all
Taking the shots as I fall
Watching the wheels that go round and round
Serene in the air
'cause I love you lady
I dream on,
Oooh
Cause that songbird singing
Shout it for me
Shout it for me
So come on now
One day at a time
I'm hiding from the razor blade
that's hanging in the kitchen
The kids are tired
They drunk up all their lemonade
The bitch keeps bitching and all
Taking the shots as I fall
Wait for the wheels to come round and round
Serene in the air
Cause I love you lady
I Dream On
Oooh
Cause that songbird singing
Shout it for me
Oooh
Dream on
Oooh
Cause it's got no meaning
Shout it for me
She go
lalalalala
Dream on
Oooh
Cause that songbird singing
Shout it out for me
Dream On
Oooh
Cause it's got no meaning
Shout it out for me
Shout it for me (come on)
