

Count On Me

Mat Kearney

One day to get it all right
Too wrong and not enough right
Three words you said in the night
Before we held the fire
High five me, brother, it's amazing
Her six shooter came out blazing
Seven up and coke on the pavement
Ate my heart out daily, baby
Hey, I love you, hey, I need you
Hey, I want you, do you want me too?
You can count on me, when you cannot see
Let me spell it out plain and simple now
When your number's called, backs against the wall
Pick you up when you fall, be there when you call
Singing A, B, C, you can count on me
1, 2, 3, you can count on me
Amen, we made it this far
B boys in VW cars
See me, seeing into my heart
Delighted through the dark
Emails and coffee in the evening
Effort ya, brother, you'll believe it
Gee, I don't know your secret
H, I love you singing
Hey, I love you, hey, I need you
Hey, I want you, do you want me too?
You can count on me, when you cannot see
Let me spell it out plain and simple now
When your number's called, backs against the wall
Pick you up when you fall, be there when you call
Singing A, B, C, add it up, add it up now, darling
1, 2, 3, run, run when you're callin'
A, B, C, add it up, add it up now, darling
1, 2, 3
You can count on me, when you cannot see
Let me spell it out plain and simple now
When your number's called, backs against the wall
Pick you up when you fall, be there when you call
Singing A, B, C, you can count on me
1, 2, 3, you can count on me
A, B, C, you can count on me
1, 2, 3, you can count on me
A, B, C
1, 2, 3
