

Dogs Can Grow Beards All Over

The Devil Wears Prada

Welcome to the war
Welcome to the war
A martyr's challengeChainsaw brutality, tornado strength
Chainsaw brutality, tornado strength
Chainsaw brutality, tornado strength
Chainsaw brutality, tornado strengthKing of the diamond, king of the grave
King of the diamond, king of the grave
King of the diamond, king of the grave
Law, lawlessness stains black on whitewashed tombs
We're too strong to compromise
Don't be ashamed of your faithDear Lord
Deliver me
From hypocrisy and surcease
The scarlet desire
The scarlet desireHe wears a slick jacket and gold watch (and gold watch)
Her dishonesty has scarred hands (has scarred hands, has scarred hands)
He wears a slick jacket and (ah! leather jacket)
