

I Don't Know Why

Star Cast

Oh no, no no no play
It's 3 o'clock in the morning
I figured this call might wake you up, but
I can't wait till the morning
I'm on my 5th round and I don't care
I'm turnin up
So wake up
Oh you, oh you gotta hear me babe
You need to feel me baby
I'm so tired
Too tired
All things you do, I don't know why
I ain't never been tricked like this, but I ain't never been kissed like this, except by you, by you
I ain't never been loved like this
I ain't never been touched, I ain't never gave a [muted] like this
And it just makes me hate and love you more
I just don't get it baby
Don't know why I keep on crushing on you babe
Save my lovin for you babe
Keep on seeing you needing you like I do
'Cause no one makes me this way
No one gets me this turned on, but no one makes me this sad
Baby, I don't know why I keep on falling for you babe, keep on callin' on you babe, keep on
seeing you needing you like I do
'Cause no one else has your touch, no one else has your problem, and no one else makes me
loved like you
Need you and I hate it that I need you like I do
Want you, so I love it that I want you like I do
Crave you and I hate it that I crave you like I do
Love you, so I love it that I love you like I do
Need you and I hate it that I need you like I do
Want you, so I love it but I want you like I do
Crave you and I hate it that I love you like I do
Love you
I don't know why I keep on crushing on you babe
I said I don't know why you keep on standin by
And you keep on acting foul
This time you cross the line
Never would have thought you'd put your hands on me
You don't then lost you fuckin mind and now I'm bout to lose mine
Keep on calling on you babe
Keep on seeing you needed me like I do

'Cause I love you love you love you
but I do
I said I hate to love you, hate to love you
No one else has your problem and no one makes me feel loved like you
Oh, no, no, no, no
