Why does it feel like
Like everything is magic with you
You make me feel like
You make me feel like
I'm magical too Why does it feel like
Like everything is magic with you
You make me feel like
You make me feel like
I'm magical too
You make me feel like
You make me feel like
I'm magical too Magic with you Make me feel like, feel like Why does it feel like
Like everything is magic with you
You make me feel like
You make me feel like
I'm magical too
Magic with you
Magic with you
Magic with you Magic with you Make me feel like, feel like
