

Never Seen Such Good Things

[Devendra Banhart](#)

Never seen such good things go so wrong
And everywhere we turn they're playing our song I should have known someone so much like
me

Would give me hell and send me to my knees Love you're a strange fella

Won't you leave your mark on me Love you're a strange fella

Won't you leave your mark on me If we ever make sweet love again

I'm sure that it will be quite disgusting

Race to the end, race to the end

The memory of a ceremony so

Empty bitter boring and hollow

Hollow But love you're a strange fella

Won't you leave your mark on me May as well be forever

Love won't you come and punish me

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win
