

# Never Seen Such Good Things

[Devendra Banhart](#)

Never seen such good things go so wrong  
And everywhere we turn they're playing our song  
I should have known someone so much like  
me

Would give me hell and send me to my knees  
Love you're a strange fella

Won't you leave your mark on me  
Love you're a strange fella

Won't you leave your mark on me  
If we ever make sweet love again

I'm sure that it will be quite disgusting

Race to the end, race to the end

The memory of a ceremony so

Empty bitter boring and hollow

Hollow  
But love you're a strange fella

Won't you leave your mark on me  
May as well be forever

Love won't you come and punish me

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win

Sad lady you win
