## **Never Seen Such Good Things**

## **Devendra Banhart**

Never seen such good things go so wrong
And everywhere we turn they're playing our songI should have known someone so much like
me

Would give me hell and send me to my kneesLove you're a strange fella Won't you leave your mark on meLove you're a strange fella Won't you leave your mark on meIf we ever make sweet love again

I'm sure that it will be quite disgusting

Race to the end, race to the end

The memory of a ceremony so

Empty bitter boring and hollow

HollowBut love you're a strange fella

Won't you leave your mark on meMay as well be forever

Love won't you come and punish me

Sad lady you win
