

# Whiskey Tears

[Dierks Bentley](#)

There's things in my life that I've been missin'  
The touch of a woman, and lovin' after dark  
Come here lately, with the woman I've been kissin'  
She comes from Kentucky, boys, and she don't have a heart  
Bartender, he don't mind, he sets 'em up the same  
I ain't been sober since it's over, got no plans to change  
I traded my tomorrows to remain in yesterday  
Whiskey tears are fallin' here and each one cries her name  
I used to be so afraid of dyin'  
I lived every moment for lovin' her  
But when she walked away my heart quit tryin'  
And now, I'm no stranger to hurt  
Bartender, he don't mind, he sets 'em up the same  
I ain't been sober since it's over, got no plans to change  
I traded my tomorrows to remain in yesterday  
Whiskey tears are fallin' here and each one cries her name  
Bartender, he don't mind he sets 'em up the same  
Oh, whiskey tears are fallin' here and each one cries her name
