

Pink or Black (feat. Hatsune Miku)

livetune

There are two of me inside myself
One's an angel while the other is a devil But that's how I am, who I am
Would you bless me for who I am? Pink or Black? Which do you like?
The Magic reveals your another self.
Pink or Black? Henshin my style.
You can become anything.
It's Magic
Fantastic na Magic
It's Magic

There are two of me inside myself
Me in heaven and another down in hell But that's how I am, who I am
Would you not forsake me for who I am? Pink or Black? Which do you like?
The Magic reveals your another self.
Pink or Black? Henshin my style.
You can become anything.
It's Magic
Fantastic na Magic
It's Magic Just like the birth of a universe,
with pink I am reborn
I'll trap you inside a black hole with my black
I know myself, yeah Pink or Black? Which do you like? Pink or Black? Henshin my style.
Pink or Black? Which do you like?
The Magic reveals your another self.
Pink or Black? Henshin my style.
You can become anything.
It's Magic
Fantastic na Magic
It's Magic It's Magic
