

# Love Walks In

## Van Halen

Contact is all that it takes  
To change your life, to lose your place in time  
Contact. Asleep or awake  
Coming around you may wake up to find  
Questions deep within your eyes  
Now more than ever, you realize And then you sense a change  
Nothin' feels the same  
All your dreams are strange  
Love comes walkin' in  
Some kind of alien  
Waits for the opening  
Simply pulls a string  
Another world, some other time  
You lay your sanity on the line  
Familiar faces, familiar sights  
Reach back, remember with all your might  
Ooh, and there she stands in a silken gown  
Silver lights shinin' down And then you sense a change  
Nothin' feels the same  
All your dreams are strange  
Love comes walkin' in  
Some kind of alien  
Waits for the opening  
Simply pulls a string Love comes walkin' in (Guitar Solo)  
Oh, sleep and dream; that's all I crave  
I travel far across the milky way  
To my master I become a slave  
'Til we meet again some other day  
Where silence speaks as loud as war  
Earth returns to what it was before And then you sense a change  
Nothin' feels the same  
All your dreams are strange  
Love comes walkin' in  
Some kind of alien  
Waits for the opening  
Simply pulls a string  
Love comes walkin' in  
(Guitar Solo)  
Love comes walkin' in  
Baby, pull the string  
Love comes walkin' in  
Love comes walkin' in, yeah!

Huh-uh! Ye-ah, oh-oh oh
