

Can't Stop Us

Chaz French

i knew my day would come around this time
just had to cleanse my soul and free my mind
thats all i know and you should write the rest
you know why? cause thats basically the whole fucking point of this site
why the fuck would you ask your customers to fucking do the work for you?
fucking dumbasses, at least try to listen to the song and write down what you fucking hear
fucking dumbasses, at least try to listen to the song and write
down what you fucking hear
fucking dumbasses, at least try to listen to the song and write do
wn what you fucking hear.fucking dumbasses, at least try to liste
n to the song and write down
what you fucking hear.fucking dumbasses, at least try to listen to t
he song and write down what you fuckin
g hear.fucking dumbasses, at least try to listen to the song and wr
ite down what you fucking hear.fucking dumbasses, at least try to l
isten to the song and write down
what you fucking hear.fucking dumbasses, at le
ast try to listen to the song and write down what you fucking hear
.fucking dumbasses, at least try to listen to the song and write down wh
at you fucking hear.fucking dumba
sses, at least try to listen to the song and write down what you fucking
hear.fucking dumbasses, at lea
st try to listen to the song and write down what you fucking hear.fuckin
g dumbasses, at least try to
listen to the song and write down what you fucking hear.fucking dumba
sses, at least try to listen to the song and write down what you fucking hear.
