

California Rain

Betty Who

We won't build a home
You won't buy flowers every Monday
Or call on my birthday
I'm not the first
and I won't be the last to love you.
And I do.
I love it when you're with me
that's when I feel the same
You come around
You let me down
Like California Rain
How many times would midnight come and go
without so much as a single touch
How many times will I find
solace in the worst of you
'cause I do
I love it when you're lonely
that's when we feel the same
I come around
I let you down
Like California Rain
I love it when you're lonely
cause that's when we feel the same
You come around
You let me down
Like California Rain
