

# Let You Go

## Machine Gun Kelly

Since you left, I've been holding on to a memory  
Since you walked out that door, yeah  
And you said I changed and you're so damn sick of me  
You're not mine anymore, 1-2-3-4Woah, woah  
She said you need to let me go  
Woah, woah  
She said I died for you, you're like my drug but I can't get high off you  
You're not mine anymoreAyy, I still remember what you wore on the first night  
Still remember how that black dress had your curves right  
Still remember smokin' just to calm my nerves  
'Til you had to leave and grabbed your purse, I grabbed first  
Uh, there's no words, yeah, it's just her  
Body against mine, makeup on my shirt  
Lipstick on my neck, whiskey on my breath  
Takin' pictures in the moment so we don't forget, yeah  
Woah, woah  
She said you need to let me go  
Woah, woah  
She said I died for you, you're like my drug but I can't get high off you  
You're not mine anymoreAnd I can't be myself without you  
I am not well  
Okay, I said that before but  
I need you now, yeahWoah, woah  
She said you need to let me go  
Woah, woah  
She said I died for you, you're like my drug but I can't get high off you  
You're not mine anymoreSince you left, I've been holding on to a memory  
Since you walked out that door  
And you said I changed and you're so damn sick of me  
You're not mine anymore  
Woah, woah  
She said you need to let me go  
Woah, woah  
She said I died for you, you're like my drug but I can't get high off you  
You're not mine anymore
