Let You Go

Machine Gun Kelly

Since you left, I've been holding on to a memory
Since you walked out that door, yeah
And you said I changed and you're so damn sick of me
You're not mine anymore, 1-2-3-4Woah, woah
She said you need to let me go
Woah, woah

She said I died for you, you're like my drug but I can't get high off you
You're not mine anymoreAyy, I still remember what you wore on the first night
Still remember how that black dress had your curves right
Still remember smokin' just to calm my nerves
'Til you had to leave and grabbed your purse, I grabbed first
Uh, there's no words, yeah, it's just her
Body against mine makeup on my shirt

Body against mine, makeup on my shirt Lipstick on my neck, whiskey on my breath Takin' pictures in the moment so we don't forget, yeah

> Woah, woah She said you need to let me go

> > Woah, woah

She said I died for you, you're like my drug but I can't get high off you You're not mine anymoreAnd I can't be myself without you

I am not well

Okay, I said that before but I need you now, yeahWoah, woah She said you need to let me go Woah, woah

She said I died for you, you're like my drug but I can't get high off you You're not mine anymoreSince you left, I've been holding on to a memory Since you walked out that door

And you said I changed and you're so damn sick of me

You're not mine anymore

Woah, woah

She said you need to let me go

Woah, woah

She said I died for you, you're like my drug but I can't get high off you
You're not mine anymore
