

# So Into You

Tamia

With every passing moment  
Thoughts of you run through my head  
Everytime that I'm near you  
I realize that your heaven sent I think your truly something special  
Just what my dreams are really made of  
Let's stay together you and me boy  
There's no one like you around  
Oh Baby  
I really like what you've done to me  
I can't really explain it, I'm so into you It could be the way that you hold me  
It could be the things that you say  
Oh I'm not too sure what it is boy  
But I know I like feeling this way I think your truly something special  
Just what my dreams are really made of  
Let's stay together you and me boy  
There's no one like you around  
Oh Baby I really like what you've done to me  
I can't really explain it, I'm so into you  
Oh I really like  
What I feel when I'm with you  
Your a dream come true  
Don't you ever leave my side  
Cuz it feels so right I really like what you've done to me  
I can't really explain it, I'm so into you
