

Bump

Baby Blue

(I can never understand why you ask me
My heart is dying in your hands but my heart beats
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump) Ugh, I can feel my heart beating
I've been sitting on the floor just pleading
So emotional
All the times I said, baby don't leave me
You're so cold to me, so so so so cold to me
I think back to the times you were holding me
And I let the feeling wash over me I was just trying to give you what you need
Why couldn't you do the same for me
But you were lying in front of my eyes
You were f*ckin' on the other side
And now I'm going so out of my mind
And I can never understand why you ask me
My heart is dying in your hands but my heart beats
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump
And I can never understand why you told lies
I wanna move on but I can't for my heart cries
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump I can feel my hands shaking
That's the anger building up inside me
In my head I'm just waiting
I look up and our eyes meet, oh
Someone say something
Someone please say something please
How'd you leave us in this mess here
How many of the lies did I believe
I was just trying to give you what you need
Why couldn't you do the same for me
It's like I'm looking at a stranger now
I hear my voice bumping so loud
I just want to get you out of my house And I can never understand why you ask me
My heart is dying in your hands but my heart beats
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump
And I can never understand why you told lies
I wanna move on but I can't for my heart cries
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump All the lies you were telling me
But you were actin' so lovable

You're getting away with murder
You must have loved it
You were thinking this girl is so gullible
Should have left a long time ago
But I was loyal, I played my part
A little piece from the broken heart
And I can never understand why you ask me
My heart is dying in your hands but my heart beats
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump
And I can never understand why you told lies
I wanna move on but I can't for my heart cries
It goes bump bump bump bump, bump bump bump
It goes bump bump bump bump, bump bump bump
