I Was Born To Love You

[Freddie Mercury](#)

An amazing feeling coming through
I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day of my life
You are the one for me, i am the man for you
you were made for me, you're my ecstasy
if i was given every opportunity i'd kill for your love
so take a chance with me
let me romance with you
i'm caught in a dream, and my dreams come true
it's so hard to believe this is happening to me
an amazing feeling coming through
I was born to love you
with every single beat of my heart
yes, i was born to take care of you
every single day of my life
I wanna love you, i love evry little thing about you
i wanna love you, love you, love you
born to love you, born to love you, yes i was born to love you
born to love you, born to love you every single day of my life
i was born to take care of you every single day of my life
My life, hay hay, every single day of my life
I was born to love you
with every single beat of my heart
yes, i was born to take care of you, honey
every single day of my life.
