

# I Don't Belong

OFF!

Your high social caste  
Privileged friends  
You lure me in  
But I can't be your friend  
Hit on Miss Liberty  
Under the cherry tree  
Drunk on hypocrisy  
I'm standing in the shadows  
And I'm pissing in the punchbowl  
I don't belong  
Cocktail party  
Pin the tail on the donkey  
Icing on my face  
But I don't like the taste  
Right wing mentality  
God and democracy  
Red carpet royalty  
I'm standing in the shadows  
And I'm pissing in the punchbowl  
I don't belong
