

# Don't Walk Away

Jade

Hi we are not in right now  
But if you leave your name and number  
We'll get back to you I've got all this love, waiting just for you  
I just gotta know that your love is true  
Can't keep running boy in and out my life  
Wanna be your girl, not 'cause the mood is right If I let you come inside, tomorrow will you hide  
Will you be there for me, when I need someone to hold  
Baby don't misunderstand, I do want for my man  
I just need a little time, before I invest you my love  
Don't walk away boy, my love won't hurt you  
Don't walk away boy, I'll be right there for you  
You said all the things that I like to hear  
You push all my buttons baby love to have close to me  
Wanna feel your love wanna be for sure  
That it's me you need baby each and every night If I let you come inside, tomorrow will you hide  
Will you be there for me, when I need someone to hold  
Baby don't misunderstand, I do want you for my man  
I just need a little time, before I invest my love  
Don't walk away boy, my love won't hurt you  
Don't walk away boy, I'll be right there for you Baby don't misunderstand, I want you for my  
man  
I need a little time before I give you my love  
Don't walk away boy, I'll be right there for you Don't walk away  
This is what is sounds like when we make love  
Don't walk away boy  
Don't walk away boy, I'll be right there for you  
Don't walk away boy, my love won't hurt you  
Don't walk away boy, I'll be right there for you  
Don't walk away boy, my love won't hurt you
