

# Two of Us

Louis Tomlinson

[Verse 1]

It's been a minute since I called you  
Just to hear the answerphone  
Yeah, I know that you won't get this  
But I'll leave a message so I'm not alone  
This morning I woke up still dreaming  
With memories playing through my head  
You'll never know how much I miss you  
The day that they took you, I wish it was me instead[Pre-Chorus]  
But you once told me, "Don't give up  
You can do it day by day"  
And diamonds, they don't turn to dust or fade away

[Chorus]

So I will keep you, day and night, here until the day I die  
I'll be living one life for the two of us  
I will be the best of me, always keep you next to me  
I'll be living one life for the two of us  
Even when I'm on my own, I know I won't be alone  
Tattooed on my heart are the words of your favourite song  
I know you'll be looking down, swear I'm gonna make you proud  
I'll be living one life for the two of us[Verse 2]

I could feel your blood run through me  
You're written in my DNA  
Looking back in every mirror

I know you'll be waiting, I'll see you again[Pre-Chorus]  
But you once told me, "Don't give up  
You can do it day by day"

And diamonds, they don't turn to dust or fade away (Fade away)

[Chorus]

So I will keep you, day and night, here until the day I die  
I'll be living one life for the two of us  
I will be the best of me, always keep you next to me  
I'll be living one life for the two of us  
Even when I'm on my own, I know I won't be alone  
Tattooed on my heart are the words of your favourite song  
I know you'll be looking down, swear I'm gonna make you proud  
I'll be living one life for the two of us[Bridge]

I promised you I'd do this  
So all of this is all for you

Oh, I swear to God you're living  
Through everything I'll ever do[Chorus]

So I will keep you, day and night, here until the day I die

I'll be living one life for the two of us  
I will be the best of me, always keep you next to me  
I'll be living one life for the two of us  
Even when I'm on my own, I know I won't be alone  
Tattooed on my heart are the words of your favourite song  
I know you'll be looking down, swear I'm gonna make you proud  
I'll be living one life for the two of us[Post-Chorus]  
One life for the two of us  
I'll be living one life for the two of us[Outro]  
We'll end just like we started  
Just you and me and no one else  
I will hold you where my heart is  
One life for the two of us
