Raekwon

Did he have hands?
Did he have a face?
Yes

.45 in the bag, mask a???
Sacks Willy jury is all really
Rich nigga's paying for the team
Sniff the eighth and feed Lily
Lily is a cocaine Willy
Who got mad connects in a small town in Philly
Octopus soul sister rock a puss
Ghost outside parked vertical
Yeah, the Jakes'll murder you
Four to five hundred bricks
Dicks come in with no tie on
That symbolizes the wire on
All Krylon heat my lings bling
500 feet away
Hit the church steeples in the D
Brand new shells on
A python, a Fisker
Twist from the Astons
Made for the listener
Or rather yeah, the driver
Suicide rider
B bums and Wally's
Me and??? colleagues
4 in the morning
4 in the morning
4 in the morning
4 in the morning
4 in the morning
4 in the morning
4 in the morning
4 in the morning
4 in the morning
Blow hands, the stove is a roaster
Where bottles whip in motion
May cause 'drop him in the ocean'
Irish blood gangsters, the roulettes
Cooler moving through Texas
Grandmother she Mex-ish, yup
Tablets, krills, bath salts, last call, get it
Drugs flying minutes like a fastball
