

# You Don't Own Me

## SAYGRACE

You don't own me  
You don't own me Well, let's go  
But I'm Gerald and I can always have just what I want  
She's the baddest I would love to flaunt  
Take her shopping, you know Yves Saint Laurent  
But nope, she ain't with it though  
All because she got her own dough  
Boss bossed if you don't know  
She could never ever be a broke hoe You don't own me  
I'm not just one of your many toys  
You don't own me  
Don't say I can't go with other boys  
Don't tell me what to do  
And don't tell me what to say  
Please, when I go out with you  
Don't put me on display You don't own me  
Don't try to change me in any way  
You don't own me  
Don't tie me down 'cause I'd never stay Don't tell me what to do  
And don't tell me what to say  
Please, when I go out with you  
Don't put me on display Re-really though, honestly  
I get bored of basic (no)  
She's the baddest, straight up vicious, texting her and asking her  
If she's alone and if she's send some pictures, she said no (what)  
Well goddamn, she said come over and see it for yourself  
Never asking for your help, independent woman  
She ain't for the shelf  
Nah, she's the one  
Smoke with her until the (ahh) Stayin' up until we see the sun  
Baddest ever, I swear she do it better than I've ever seen it done  
Never borrow, she ain't ever loan  
That's when she told me she ain't  
Never ever ever gonna be owned I don't tell you what to say  
I don't tell you what to do  
So just let me be myself  
That's all I ask of you I'm young and I love to be young  
And I'm free and I love to be free  
To live my life the way I want  
To say and do whatever I please Hey, hey!  
Oh no (okay)  
Oh no, no

Oh no, no, no  
Don't, do don'tHey!  
(You don't own me)  
But just know, you never met somebody like me before though  
(You don't own me)  
Easy  
You don't own me
