Today Is the last day That I'm using words They've gone out Lost their meaning Don't function anymoreLet's Let's Let's get unconscious honey Let's get unconscious honeyToday is the last day That I'm using words They've gone out, lost their meaning Don't function anymore Traveling, leaving logic and reason Traveling, to the arms of unconsciousness Traveling, leaving logic and reason Traveling, to the arms of unconsciousnessLet's get unconscious honey Let's get unconscious Let's get unconscious honey Let's get unconsciousWords are useless Especially sentences They don't stand for anything How could they explain how I feelTraveling, traveling, I'm traveling Traveling, traveling, leaving logic and reason Traveling, traveling, I'm gonna relax Traveling, traveling, in the arms of unconsciousness... Let's get unconscious honey Let's get unconscious Let's get unconscious honey Let's get unconsciousAnd inside We're all still wet Longing and yearning How can I explain how I feel?Traveling, traveling Traveling, traveling Traveling, traveling, in the arms of unconsciousnessAnd all that you ever learned Try to forget I'll never explain again Song Discussions is protected by U.S. Patent 9401941.
