Be My Lover

INNA

La da da dee da da da da

La da da dee da da da da

La da da dee da

La da da dee da

La da da dee da da da da daI think I'm ready for youYou take me higher, get me to cloud 9

Go up to the light

Yeah you can see all you want

It doesn't matter cause we shine tonight

I won't let you go

So baby give me more

Don't leave me dancing on my own

Yeah you can put me on

And I can make your body glow

Cause you, you and I, I will run the show

In this moment you're all I want

Hold me until the end of timeCause we are written in the sky

Get close to my lips

Lock you up in my kiss

Tell me you will be mine tonight

You will be mine tonight

Be my loverBe my lover

Now let me do it to you

You've got my heartbeat beating like a drum

I'll show you how it's done

Yeah you can take all you want

Do what you like

Cause I'm all yours tonight

Love my body right

So baby give me more

Don't leave me dancing on my own

Yeah you can put me on

And I can make your body glow

Cause you, you and I will run the showIn this moment you're all I want

Hold me until the end of time

Cause we are written in the sky

Get close to my lips

Lock you up in my kiss

Tell me you will be mine tonightBe my lover

Be my lover

Be my lover

Caught in a moment

It's just you and meWhere have you been all my life

Come be my lover and take me away
Touch me and turn up my heart
Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight

Be my lover Be my lover Be my lover

Be my lover Be my lover
