

Spaceman (Radio Edit)

Babylon Zoo

Spaceman I always wanted you to go
Into space man (intergalactic Christ)
Spaceman I always wanted you to go
Into space man (intergalactic Christ)Pungent smells they consummate my home
Beyond the black horizon
Trying to take control
See my girl she shivers in her bones
The sun and zenith rising
Trying to take us all
There's a fire between us
So where is your God
There's a fire between us
I can't get off the carousel
I can't get off the carousel
I can't get off the carousel
I can't get off this worldThe sickening taste
Homophobic jokes
Images of fascist folks
Beam me up 'cause I can't breatheSpaceman I always wanted you to go
Into space manIt's time to terminate the great white world
Morbid fascinations television takes control
Decimation different races fall
Electronic information tampers with your soul
There's a fire between us
So where is your God
There's a fire between us
I can't get off the carousel
I can't fall off this worldThe sickening taste
Homophobic jokes
Images of fascist folks
Beam me up 'cause I can't breatheSpaceman I always wanted you to go
Into space manSpaceman I always wanted you to go
Into space man (intergalactic Christ)
Spaceman I always wanted you to go
Into space man (intergalactic Christ)Spaceman, Spaceman, Spaceman, Spaceman
Spaceman, Spaceman, Spaceman, Spaceman
Space... man Spaceman *repeat to fade*
