Thank you, God
For this great opportunity
To share with you exactly how I feel I'm not well
And I think that I should tell you
That I think I got the raw end of the deal Don't get me wrong
'Cause it's not like I blame you
'Cause sometimes things get crazy on their own I'm ashamed
Of the way I point my finger
'Cause deep down I have reaped what I have sown Life is hard
But so is everything
Give my regards to a man who cares
If I succeed
I will save my fellow man
And if I fail I'll just stand and stare Such is life, Lord
And I know that you're aware
That you're a drug to me
A drug within my fear But, I love you
A junkie to your silence
A wise man whose words, I'll never hear What to do
I feel as if I'm floating
Not aware or in control of what I am God bless me
Take me out of this existence
End my role as the sacrificial lamb
Life is hard
But so is everything
Give my regards to a man who cares If I succeed
I will save my fellow man
And if I fail I'll just stand and stare I'll just stand and stare Life is hard
But so is everything
Give my regards to a man who cares If I succeed
I will save my fellow man
And if I fail I'll just stand and stare Life is hard
But so is everything
Give my regards to a man who cares If I succeed
I will save my fellow man
And if I fail I'll just stand and...Stare...I'll just stand and stare...
